SYSTEM
Android 14

INTRODUCTION

The **EduTab 10 Pro+ AVT016** is a rugged, versatile educational tablet for students and teachers who need to learn, create and communicate in and out of the classroom.

Its 10" IPS display at 1920 × 1200, with a tough G+G touch panel, is ideal for reading, taking notes, attending online classes and using educational apps.

With an Octa Core processor, Android 14, 8 GB RAM and 256 GB storage, it keeps multiple apps running smoothly.

Its **4G LTE SIM card slot** connects to the Internet with a data plan, without relying on Wi-Fi. Also includes dual-band Wi-Fi and GPS.

Comes with a Spanish-keyboard case with built-in touchpad, plus a stylus, for comfortable, precise writing.

10"
SIM 4G

10" display at 1920 × 1200, its own connectivity and accessories for writing and note-taking.
